

Kylie Minogue, Redblooded woman

Can't stop
Count backwards 5 4 3 2 1
Before you get too heated and turned on (This guy)
You should have learned your lessons all them times before
You've been bruised, you've been broken
Then there's my mind saying think before you go
Through that door it could lead you nowhere (This guy)
Has got you all romantic, crazy in your head
Do you think I'd listen, no I don't care
'cause I can't focus I can't stop
You got me spinning round, round, round, round (Like a record)
I can't focus it's too hot (Inside)
You'll never get to
Heaven if you're scared of getting high
Boy, boy
Let me keep freaking around
I wanna get down
I'm a red blooded woman, what's the point in hanging round
Don't wanna keep turning it down
When this girl wants to rock with you
My conscience saying, get down off this dream
It's too dangerous and deadly
Has got you talking round in circles can't you see
All for the sake of sexy (You're loving it)
Then there's my sense saying stop before you fall
I don't wanna pick you up again
Has got you all romantic, crazier each day
Do you think I'd listen
There's no way
