

Kylie Minogue, Still Standing

I want you to remember,
First kiss you ever had,
When our lips met together,
I knew that was that

I'm still standing,
Keeping you dancing yeah,
You know you want it,
I'm still going,
Making the party blow,
The way you like it,

Do you wanna hear me sing
Pop, 'cause I don't think I wanna
Stop, And I love it when my beats
Drop

Yeah it makes me feel Hot,
Guess whose back on top,
I'll happily surrender,
To your desire,
A touch so warm and tender,
Is setting me on fire

Funkin to this sound,
We're gonna get down,
Pop, Stop, Drop, Hot.
