

# Kylie Minogue, Tightrope

Verse 1...

There's so much I want to share  
For so long I've been too scared  
To show the way I feel for you  
But I know what I have to do  
So I'm just gonna say it, (say it)  
Love is like a game  
And I'm gonna play it, (play it)  
I hope you feel the same...

Chorus...

...I'm in, so deep  
Can't think and I can't sleep  
I'm high upon a tightrope and it always leads to you  
These days, I find, you're always on my mind  
I'm high upon a tightrope and I've got to get to you

Verse 2...

Wonna take you by the hand  
When we touch you'll understand  
That there's a love I can't deny  
And it's too much to keep inside  
So I'm just gonna say it, (say it)  
Love is like a game  
And I'm gonna play it, (play it)  
I hope you feel the same...

Chorus...

I'm in, so deep, can't think and I can't sleep  
I'm high upon a tightrope and it always leads to you  
These days, I find, you're always on my mind  
I'm high upon a tightrope and I've got to get to you

Bridge...

No more time should pass us by  
don't ask how I know it but this time...  
Is made for you and I

Chorus to fade.
