

# Kylie Minogue, What Kind Of Fool (Heard All That Before)

What kind of fool do you take me for  
(Do you take me for, do you take me for)  
(But I heard all that before)

I don't wanna hear your reasons  
I'm not giving you another chance  
In my kindness you saw weakness  
Time for me to make a stand

Whenever I hear your music  
Singing the same old tune  
You're so sure that I can't refuse it  
But don't you speak too soon

[Chorus:]  
What kind of fool do you take me for  
Don't wanna see your face no more  
You can say you'll be true, I can trust in you  
But I heard all that before

Remember how I used to need you  
But baby you were never there  
There was a time when I believed you  
But now I know you didn't care  
Don't wanna hear your hard-luck story  
It's the same time after time  
It's too late to say you're sorry  
You'll never change wrong to right

[Chorus]

[Chorus 2:]  
What kind of fool do you take me for  
No-one on earth could give you more  
You would change white to black  
If I took you back  
But I heard all that before

What kind of fool, what kind of fool  
(Believed you, believed you,  
Believed you, believed you)

Whenever I hear your music  
Singing the same old tune  
You're so sure that I can't refuse it  
But don't you speak too soon

[Chorus]

[Chorus 2]
