

# Kylie Minogue, Whenever You Feel Like It

I can't catch my breath

whenever you feel like it..  
where ever you feel like it..  
how ever you feeeeeel like it..... I like it

you're wild, you're crazy  
you're not like other people baby  
you're a devil, you're a rebel  
thats why I need you baby

your keeping my up all night  
your making me feel alright  
you march to the beat of your own drum baby  
you can come to me

whenever you feel like it..  
where ever you feel like it..  
how ever you feeeeeel like it..... I like it

you're dark, you're stormy  
you really do it for me  
I'm here, I'm waiting  
use your imagination

you're keeping my up all night  
you're making me feel alright  
you march to the beat of your own drum baby  
you can come to me

whenever you feel like it..  
where ever you feel like it..  
how ever you feeeeeel like it..... I like it

your hearts beating with the rhythm of love  
dont stop now i cant get enough  
my hearts beating me to death  
I can't catch my breath

you're keeping my up all night  
you're making me feel alright  
you march to the beat of your own drum yeah  
come on, come on, come on

whenever you feel like it..  
where ever you feel like it..  
how ever you feeeeeel like it..... I like it

you can hold me there  
you can call on me  
you'll be fine with me

whenever you feel like it..  
where ever you feel like it..  
how ever you feeeeeel like it..... I like it
