

# Kylie Minogue, Where is the feeling

There's nobody better, better than you  
You make me feel happy  
Happy, happy to know you  
But where is the feeling?  
The feeling of security  
When we're not together  
Tell me everything's gonna be alright  
It's just no use, can't get over you  
Anytime you want me to  
I can make you happy (I can make you happy)  
There ain't nothing I wouldn't do (anytime)  
To make you happy  
Tell me I'm crazy  
Maybe since you've been gone  
They don't understand that together  
Together we're one  
Anytime you want me to  
I can make you happy (I can make you happy)  
There ain't nothing I wouldn't do (anytime)  
To make you happy  
When we're not together  
Tell me everything's gonna be alright  
Anytime you want me to  
I can make you happy (I can make you happy)  
There ain't nothing I wouldn't do (anytime)  
To make you happy  
Anytime. I'll make you happy  
Oooh hey yeah, I'll make you happy  
Ooh, I'll make you happy  
Ooh ooh yeh, there ain't nothing  
I wouldn't do, yeah oh oh oh ooh ooh  
Aah, hey yeah, oooh, yeah yeah yeah  
I'll make you happy, ooh yeah, ow ow ow ow  
Oh yeah I will, oh yeah I will
