Kym Marsh, After Goodbye

I thought I heard you whisper

Between the broken light

I turned to see, to see you fade away

Sometimes I sit and wonder

Just how you could be gone

And tell me why forever couldn't stay

Remember never walk away, never walk away we used to say

I thought we were here to stay, guess we had to go our separate ways

After goodbye

I remember you

You'll always be a part of me

I'll hold on to

And after goodbye

No matter what I do

I'll never be that far away

I'll be there for you

Even after goodbye

I'll still feel every teardrop

I keep them here inside

But I always thought, I thought that we can't fight

Remember never walk away, never walk away we used to say

I thought that we were here to stay, guess we had to go our separate ways

After goodbye

I remember you

You'll always be a part of me

I'll hold on to

And after goodbye

No matter what I do

I'll never be that far away

I'll be there for you

Even after goodbye

I'll always remember

With every step I take

The dreams that we shared

I'll never let them go

I'll hold them forever more

I swear

After goodbye (goodbye)

I remember you (I remember you)

You'll always be a part of me (a part of me)

I'll hold on to (be a part of me too)

And after goodbye (goodbye)

No matter what I do (do)

I'll never be that far away

I'll be there for you

Even after goodbye
