Kym Marsh, Don't Break My Heart

Once in your life Love comes along To take your breath away Tender and true Shared between two

To last for always Love can tell so many stories

Tragedies of fallen glories

Promises are broken every day

Don't break my heart Don't let me down

Cos you're the only one for me

Don't walk away Don't let me go

When we have just begun

The only thing I ask of you Is don't break my heart

So now you know

How did it go

I would give anything

All that I am

And all I can give

To keep you here with me

Love can take us many places

When it calls there is no escaping

Promise me that you are here to stay

Don't break my heart Don't let me down

Cos you're the only one for me

Don't walk away Don't let me go

When we have just begun

The only thing I ask of you

Is don't break my heart

don't make me love for you again

Until my tears are falling like Memories fade but love will remain

Love will remain Don't break my heart

Don't let me down

Cos you're the only one for me

Don't walk away Don't let me go

When we have just begun

The only thing I ask of you

Is don't break my heart

The only thing I ask of you is don't break my heart
