

# Kyuss, Green Machine

I've got a war inside my head  
It's got to set your soul free  
I've got a wheel inside my head  
A wheel of understanding

I'm a loadin', loadin' my war machine  
I'm contributing to the system, the break down scheme  
I'm a shuttin' down, I'm shuttin' down your greed for green  
I am here to gun it down, I gotta do

I see pretty flowers at my feet  
Cool breeze, clean air, hospitality  
Pretty please, pretty please, pretty please  
Get the hell away from me

I'm a loadin', loadin' my war machine  
I'm contributing to the system, the break down scheme  
I'm a shuttin' down, I'm shuttin' down your greed for green  
I am here to gun it down, I gotta do

I've got a war inside my head  
It's got to set your soul free  
I've got a wheel inside my head  
A wheel of understanding

I'm a loadin', loadin' my war machine  
I'm contributing to the system, the break down scheme  
I'm a shuttin' down, I'm shuttin' down your greed for green baby  
I am here to gun it down, I gotta do
