

L7, Stick to The Plan

Stick to the plan
Stick to the plan, man
Grasping at straws
Now I'm grasping at straws
You've got me grasping at straws
He's a motivator
He's got a wire inside
A chronic masturbator
With love in his eyes
He's a motivator
He's got a wire inside
A happy masturbator
With love in his eyes
Stay on the high
Stay on the high, sigh
