

# L7, Stick to The Plan

Stick to the plan  
Stick to the plan, man  
Grasping at straws  
Now I'm grasping at straws  
You've got me grasping at straws  
He's a motivator  
He's got a wire inside  
A chronic masturbator  
With love in his eyes  
He's a motivator  
He's got a wire inside  
A happy masturbator  
With love in his eyes  
Stay on the high  
Stay on the high, sigh
