

# La Bouche, Say It With Love

Verse1:

When I am all alone, without you, the way you kiss is something I never knew.  
You know how you look at me, with your eyes, and tell me that I'm someone special.  
And there's no-one who makes me feel like this, somehow I believe that you mean it.

Chorus:

Say it with love  
Straight from your heart  
And make my dream come true  
Say it with love  
Straight from your heart  
Know from the start  
That I'll always love you

Verse2:

We haven't been very long together, but I know that you're the answer to my favourite prayer. When  
No-one can make me feel like you, no other one I will love for the rest of my life.

Chorus X 2

Say it with love, know that I love you, oh forever and ever and ever, say it.

Verse3:

Say I'm pretty but say it with love  
Say I'm special but say it with love  
Say I'm crazy but say it with love  
Say it baby, say it with love  
Say you want me but say it with love  
Say you need me but say it with love  
Say you adore me, but say it with love  
Say it baby, say it with love.

Chorus

Baby don't you know that I will always love you.
