

# La Mafia, Can't Dance To The Static

Can't dance to the static on the radio o o  
I don't understand the words  
And the beat's too slow  
It's just a lot of white noise  
And it's driving me nuts  
There's some interference in the air  
And it's messing me up

Can't dance to the static  
Can't dance to the static  
Can't dance to the static  
On the radio o o

It was fine for a little while  
It was clear as a bell  
I don't think it's the radio  
Even though  
It's shot to hell

It could be the deejay  
Got stoned on the air  
Cranked up and blew a fuse  
And can't find a spare

NO WHERE

Can't dance to the static  
Can't dance to the static  
Can't dance to the static  
On the radio o o o

Is there anything we can do  
Is there anything at all  
If we only had a telephone  
We could give them a call  
Tell them what is going on  
Tell them where to go o o

Can't dance to the static on the radio o o o  
Can't dance to the static  
Can't dance to the static  
Can't dance to the static  
On the radio o o

Cant dance to the static  
Can't dance to the static  
can't dance to the static  
On the radio o o  
on the radio o o  
on the radio oo .....
