

# La Men, Teasy-Lizzy

They really take me for a sinner  
They really get me right  
But you are an absolute winner  
You broke my selfish drive

I wanna treat you well  
I wanna treat you well  
I wanna treat you well

You call me I'm your little dreamer  
You ask me  
Come and give me  
Give me some fun  
I feel your lips so hot  
You make me feel so soft

I wanna treat you well  
I wanna treat you well  
I wanna treat you well

Ref.:  
Teasy Lizzy  
I can't resist your magic spell  
Teasy Lizzy  
Can't say I really feel that well  
Teasy Lizzy  
I can start tomorrow  
Teasy Lizzy  
I'm gonna live my well known life  
Teasy Lizzy  
Don't you stop me rolling  
Teasy Lizzy  
Or I kill that crazy ride

They really take me for a sinner  
They really get me right  
But you are an absolute winner  
You broke my selfish drive
