Straight up and down, in gats we trust  
Think you bust, touch the stainless steel gats that never rust  
It's the lust, to get me vexed, don't take much  
You get blitzed on, shitted on, tnt rush  
Through the door, knocked off the mothaf\*\*kin hinges  
Relentless, runnin through your hood right off the hit list

(la the darkman)

Yo yo, between the gods and the goddesses, devils and demons  
I'm weed steamin, gold 32 karat tech gleamin
