

La Toya Jackson, Feels Like Love

I just wanna see the light
And nothing else matters to me
Tonight don't start the fight
Let go, release
I usually keep the pace
Tonight I'm abuse
Look so innocent
But tonight I'll be a freak

Than, we dance
All!
Music Feels Like Love
Than, we dance
So
It takes my body
And I'm losing control
Yes, we dance
Music Feels Like Love
Than, we dance
So
