

# Labi Siffre, It must be love

It Must Be Love

(1972 - from the CD "Crying Laughing Loving Lying")

I never thought I'd miss you

half as much as I do

And I never thought I'd feel this way

the way I feel about you

As soon as I wake up

any night any day

I know that it's you I need

to take the blues away

It must be love, love, love

It must be love, love, love

Nothing more, nothing less

Love is the best

How can it be that we can

say so much without words

Bless you and bless me baby

and bless the bees and the birds

I've got to be near you

every night, every day

I couldn't be happy baby

any other way

It must be love, love, love

It must be love, love, love

Nothing more, nothing less

Love is the best

As soon as I wake up

any night any day

I know that it's you I need

to take the blues away

It must be love, love, love

It must be love, love, love

Nothing more, nothing less

Love is the best
