Gotta be a man
Do it for my homegrown's

just for your love
I'll
give you the world

if it makes me a king
a star in your eyes

always equates to one
when t all comes down to it
I hope one of you come back to remind me of who I was
when I go disappear
into that good night
good night good night good night good night good night

I am taking it all for us all
doing it all for love
