

# Lacrimas Profundere, Adorer And Somebody

(music O. N. Schmid, lyrics Ch. Schmid)

I lost myself  
In you.  
For every tear  
I'm true.

And when you weep  
I understand what you mean to me  
I break in two  
And for a while  
I die

I bleed with your heart  
And I can't cope with you

And when you weep  
I understand what you mean to me  
I break in two  
And for a while  
I die

To adore you...you...you...you...you

And when you weep  
I understand what you mean to me  
I break in two  
And for a while  
I die
