

Lacuna Coil, Devoted

I'll be there
When there's nothing left
Night and day
Holding you
Harmony
Deep inside your soul
Meet me there

Can you feel me?
(Can you feel me?)
Can you feel me deep inside?

There's no time
To deny that I'll need you
And I'll be there
To inhale your delightful day
There's no time
To deny that I'll need you
That's why I'll be there
To relieve your painful day

Hiding well
Where the pain is real
Night and day
Growing in you
Anger is
Poison in your veins
Meet me there

Can you feel me?
(Can you feel me?)
Can you feel me deep inside?

There's no time
To deny that I'll need you
And I'll be there
To inhale your delightful day
There's no time
To deny that I'll need you
That's why I'll be there
To relieve your painful day

Deep inside.

There's no time
To deny that I'll need you
And I'll be there
To inhale your delightful day
There's no time
To deny that I'll need you
That's why I'll be there
To relieve your painful day
