

Lacuna Coil, Give Me Something More

I disappear into the night
The silence is cursing me one more time
I know the law in this deep lie
Cause all my demons are come back to life

I cannot wait for savior
My angel is long gone
I remind this
I don't wanna pray
I don't wanna pray (give me something)
I don't wanna pray

Give me something more
Give me something more
Don't shed my eyes
Give me something more
Give me something worth of sacrifice

I cross the line
The walk of shame
I hear the church bells during the ascend rain
I'll cannot trade the fraud for right
And pick up the pieces come back inside

I can't deny
Don't ask me why
I feel the pressure everywhere
It starts inside
It rocks in pain
It knocks me down
Am I insane?

Give me something more
Give me something more
Don't shed my eyes
Give me something more
Give me something worth this sacrifice

I can't deny
Don't ask me why
I feel the pressure everywhere
I cannot stand this life in vain
Give me a sign
Am I insane?

Give me something more
Give me something more
Don't shed my eyes
Give me something more
Give me something worth of sacrifice
Give me something more
Give me something more
Don't shed my eyes
Give me something more
Give me something worth of sacrifice

I cannot wait for savior
My angel is long gone
I'm on my knees
I don't wanna pray
I don't wanna pray (give me something)
I don't wanna pray

Give me something more

Give me something more
Don't she'd my eyes
Give me something more
Give me something worth of sacrifice
Give me something more
Give me something more
Don't she'd my eyes
Give me something more
Give me something worth this sacrifice
