

# Lacuna Coil, Our Truth

Clock is ticking while I'm killing time  
Spinning all around  
Nothing else that you can do to turn it back  
Wicked partnership in this crime  
Ripping off the best  
Condescending smile

Trying to forget  
(Wasting my time)  
We're falling right through  
Lying to forget  
(Telling more lies)  
We're raising our truth

Go on and tease me

Clock is ticking while I'm stealing time  
Can't you turn it back?  
Stop the cycle set it free and run away  
Silent sneaking along my path  
Rugged the road but we  
Feel it like we're flying

Trying to forget  
(Wasting my time)  
We're falling right through  
Lying to forget  
(Telling more lies)  
We're raising our truth
