

Lacuna Coil, To the endge

Here I start to define it
As a sign on my skin that I just try to wash away
Reminder
Infected, itll be painful to me
Life is so short
Close to the edge of another backdoor
Life is so sure!
Life will be ready to twist up your world
Here it starts to enlighten
Theres a frame I cant change that I just have to watch again
Reminder
Repressed inside me, it keeps repeating
Life is so short
Close to the edge of another backdoor
Life is so sure!
Life will be ready to twist up your world
Life is so short
Close to the edge of another backdoor
Life is so sure!
Life will be ready to twist up your world
