

# Lacuna Coil, Without Fear

Se in uomo fragile  
Nuove risposte tardano ad affiorare  
Invisibile distante  
inevitabile  
Inevitabile risveglio

Dentro di me non c' niente  
Di fede immobile pi niente

Here I am  
I'm giving myself to you  
Without fear

Invisibile distanze  
inevitabile  
Ricordano un addio per sempre

Dentro di me non c' niente  
Di fede immobile pi niente

Dentro di me non c' niente  
Di fede immobile pi niente

Dentro di me non c' niente  
Di fede immobile pi niente

&lt;/lyrics&gt;  
If in a weak man  
new answers are long to appear  
Invisible, distant  
it's inevitable  
inevitable awakening

Inside of me there is nothing  
of immobile faith, nothing

Here I am  
I'm giving myself to you  
Without fear

Invisible distances  
it's inevitable  
they'll forever recall a farewell

Inside of me there is nothing  
of immobile faith, nothing

Inside of me there is nothing  
of immobile faith, nothing

Inside of me there is nothing  
of immobile faith, nothing
