Lady Linn, Dance To The Music

Hey you all already out there We wanna get this party started right So everybody grab somebody And get to the dance floor

Everybody in the house Come on yeah

Everybody in the house If you're feeling the beat tonight Get to the floor Come on yeah

Everybody dance yeah I know you feel it If you're in the house tonight If you're feeling the beat Come on

Everbody in the house come on

Dance to the music Why won't you dance Dance to the music Dance to the music Why won't you dance Dance to the music

Everybody in the house If you're feeling the beat tonight Get to the floor Come on yeah

Everybody dance yeah I know you feel it If you're in the house tonight If you're feeling the beat Come on

Everbody dance You gotta dance Everbody dance You gotta dance

Dance to the music Why won't you dance Dance to the music Dance to the music You gotta dance Dance to the music

Hey you all already out there We wanna get this party started right So everybody grab somebody And get to the dance floo

Dance to the music Why won't you dance Dance to the music Dance to the music You gotta dance Dance to the music
