

Lady Sovereign, Public Warning

(Intro)

Public warning, who's in town?
Public warning, all bow down!

I'm ridin' 'ere on this beat
'Cause I don't give a monkey's what you think about me, mmm mmm
It's on, no long ting, it's on
Ding dong, who's that?
Peekaboo, it's Sov

Yo, ladies and gentlemen this ain't no experiment
It's the uneducated example of intelligence
My irrelevance means more than your irrelevance
It's evident, there's evidence
That I am bloody excellent

Yo first I got a gig, 'cause I'm bigger and I'm badder
And I flow up on the mike, I'm a heavy-weight chatter
And I'll get you back wif a dirty back-hander
If I discover that you are a hater

See? I told you that I'm better
'Member when Betty bought a bit o' butter?
Well I'm bringin' a bit o' better
A bit o' gutta
A bit o' "Ah ah"
A bit o' "Ha ha"
A bit of every li'l damn thing

(Chorus)

Public warning, who's in town?
Public warning, all bow down!
Public warning, who's in town?
Public warning, Sov's in town!

Crown me the pint-sized clown of the town
Said I'll huff 'n' I'll puff 'n' I'll blow your house down
Or I'll be the boogie woman in a boogie woman gown
'N' I'll boogie woogie you with my boogie woogie sound
See? I told you that I'm better
'Member when Peter Piper picked a peck o' pickled peppers?
Well I'm pickin' a bit o' better
A bit o' gutta
A bit o' "Ha ha"

A bit of every little damn thing
Ching

(Chorus x1)

I'm that walkin' dictionary
I'm that talkin' thesaurus
I'm that old school, prehistoric Soversaurus
Avee it
I got a habit of absolutely damagin' any track when I attack it
Hmm, see? I told you that I'm raw!
'Member when she sold them seashells on the seashore?
Well I'm sellin' a li'l more
A li'l raw
A li'l encore please while I drop it hardcore, now, haha!

(Chorus x1)

I don't wanna play none o' your games
I don't wanna play none o' your games
Oi, oi, oi, yeah!
I wanna play all of my games
I wanna play all of my games
Oi, oi, oi, yeah!
I don't wanna play none o' your games
I don't wanna play none o' your games
Oi, oi, oi, yeah!
I wanna play all of my games
I wanna play all of my games
Oi, oi, oi
I don't wanna play none o' your games...
Who's in town?...
I wanna play all of my games...
Sov's in town...
I don't wanna play none o' your games...
Who's in town?...
I wanna play all of my games...
All bow down...
I don't wanna play none o' your games
I don't wanna play none o' your games
Oi, oi, oi, yeah!
I wanna play all of my games
I wanna play all of my games
Oi, oi, oi, oi!
