

# Ladyhawke, Better Than Sunday

I`m in an empty room  
I`ve waited here since noon  
The walls are closing in  
The room is getting dim  
I`m feeling something wrong  
But time is getting on  
You`ve left me here alone  
You`re holding all i own

I can`t walk the line  
I can`t see the time  
I`m falling out of view  
I`m sinking into you  
I can`t walk the line  
I can`t see the time  
I`m falling out of view  
I`m sinking into you

I`m leaving monday  
It`s better than sunday, it`s better than sunday, it`s better than  
I`m feeling younger  
It`s better than wiser, it`s better than wiser, it`s better than  
I`m leaving monday  
It`s better than sunday, it`s better than sunday, it`s better than  
I`m feeling younger  
It`s better than wiser, it`s better than wiser, it`s better than

It`s getting dark outside  
I shrink and try to hide  
There`s no one else to blame  
It`s always been the same  
I`m leaving notes around  
So when i`m gone they`re found  
You`ll wish you treated me  
With much more dignity

I can`t walk the line  
I can`t see the time  
I`m falling out of view  
I`m sinking into you  
I can`t walk the line  
I can`t see the time  
I`m falling out of view  
I`m sinking into you

I`m leaving monday  
It`s better than sunday, it`s better than sunday, it`s better than  
I`m feeling younger  
It`s better than wiser, it`s better than wiser, it`s better than  
I`m leaving monday  
It`s better than sunday, it`s better than sunday, it`s better than  
I`m feeling younger  
It`s better than wiser, it`s better than wiser, it`s better than
