

# Ladytron, Black Plastic

Someone's coming round in the evening  
One touch on the face of a city.  
Boy/black plastic chair with some time to spare  
Black plastic, touching black plastic  
Someone's coming round in the evening  
One touch on the face of a city.  
Boy/black plastic chair with some time to spare  
Black plastic, touching black plastic  
One touch on the face of a city.  
Boy/black plastic chair with some time to...  
Drawing on face of a girl who is sleeping  
Black plastic chair, zoning out, making one touch
