## Ladytron, Discotraxx

(Bulgarian)

I know her, used to follow everywhere we'd go and it's so sweet, now she's sleeping with a boy I know the boy I know, knows a pretty girl in every town and the way they look, they were made to let each other down she got her face from the same house where she stole her clothes on the same street, there's a dance hall where nobody goes far too far, stealing cigarettes with '90s girls and then at Christmastime, 'till we exceed the recommended dose (more Bulgarian)
