English translation:

I swear never to  
forget you,  
who I've shared everything with  
for five years.  
I swear, should anyone of us  
fall on evil days  
I'll give him a helping hand /2  
even if the times are bad for me. /2  
I swear that if I fall on evil days  
I won't betray you,  
to forgive the  
mistakes of my friends  
I swear in the Devil  
and the Gods  
to do for you  
everything I can!  
I swore! /4
