

Ladytron, Send Me A Postcard

Before loneliness will break my heart,
send me a postcard darling.

How can I make you understand?

I wanna be your woman.

Here, here I'm waiting for a little sign,
waiting 'til the end of time.

Send me a postcard darling.

Send me a postcard now.

Send me a postcard darling.

Send me a postcard now.

I can't take the lonely night,

I need someone I can turn to.

Look out for the day I get a little sign,

I want to know you're all mine, nowwww..now please dont let me down, aint no lover like me in tow

Send me a poscard now.
