

Ladytron, You Got The Love

Sometimes I feel like
Throwing my hands up in the air
I know I can count on you
Sometimes I feel like saying
Lord I just don't care
But you've got the love I need
To see me through

Sometimes it seems that
The going is just too rough
And things go wrong
No matter what I do
Now and then I feel
That life is just too much
But you've got the love
I need to see me through

Sometimes I feel like
Throwing my hands up in the air
I know I can count on you
Sometimes I feel like saying
Lord I just don't care
But you've got the love I need
To see me through

Time after time
I say oh Lord whats the use
Time after time
I say this just won't do, but
Sooner or later in life the things you love you lose,
Just like before I know i'll call on you

Occasionally
my thoughts are brave and friends are few
Occasionally
I cry out Lord what must I do
Occasionally
I call up Master make me new
You've got the love
I need to see me through

Sometimes I feel like
Throwing my hands up in the air
I know I can count on you
Sometimes I feel like saying
Lord I just don't care
But you've got the love I need
To see me through
