

# Lagwagon, May 16

No more waiting on them  
as you rise inside new rooms  
It's official you've gone  
you can live for no one else  
Man the guilt must be huge  
As there's no gain in failure you succeed at being mine  
Yeah, old friend, see you there I will be proud from afar  
I can paint a picture in a moment of memories and there aren't many left  
I am extradited, uninvited

It's just another saturday

Take a step to freedom  
You and her against this cruel world  
Take a breath of shelter and exhale  
Trust and allegiance  
Liberate yourself from hell

It's just another saturday
