

# Lagwagon, Today

As you expect here as the keys  
So come and go as you please  
What's mine seems to be yours  
Welcome to my drawers

Today I heard them say a funny thing  
They were happy you were clean  
You were headed for success  
in the mountains of excess

Today you fail them  
Tomorrow more  
Maybe I'll lend you some more cash  
Don't have to play it back  
I can depend on you  
Dependent on everyone  
Why am I guilty of my bending back  
Over to breaking  
The object  
of some desire

Too late  
Too late  
Today I'm saving you

I must have finished my last care  
with that beer  
With some ideal  
I might win while losing  
That's some mentality I have  
to finish talking  
I'm finished talking

Today I heard a funny thing  
They were happy you were clean  
And you won't be looking back  
to the one that helped you pack
