

# Laibach, 2525

In the year 2525  
If man is still alive  
If woman can survive, they may find

In the year 1994  
War goes on just like before  
War goes on, it never ends  
War brings bigger dividends

In the year 1995  
Brave new world is born to die  
From total damage to damage limitation  
Fear is the key to defend the nation

In the year 1996  
There is no need for politics  
Seeing life with unseeing eyes  
Seeing man see through the disguise

In the year 1997  
The boil bursts in the face of Heaven  
Dragon tears washed away thy youth  
Wash thy hands of eternal truth

In the year 1998  
Why shut the door of the Open Gate  
Rivers of people flow like blood  
New race rises from the mud

In the year 1999  
War destroys the last sky-line  
A flaming cross appears in the sky  
Man bows down as the bullets fly

Now it's been 2000 years  
Man has cried a million tears  
For what he never knew  
Now man's reign is through  
But through eternal night  
The twinkling of starlight  
So very far away  
Maybe it's only yesterday

In the year 2525  
If man is still alive  
If woman can survive  
We survive

In the year 3535
