

# Laibach, Abuse And Confession

Lord  
Lord  
Christ!

You've been  
Sacrificed  
Crucified  
Sanctified  
Glorified  
Braised

Lord  
Lord  
God!

You've been  
Sacrificed  
Bilified  
Demonised  
Mortified  
Shamed

You gave me flesh and blood  
And the will and the way  
To serve Thee, my Lord  
Until Judgement day  
It was written in stone  
You had a mission to save  
Why give me desire  
Just to prove I'm depraved?

But were You not tempted, my Lord  
When You became flesh?  
Did Your desire not rise  
At the sound of a woman's breath?

Lord  
Lord  
Christ!

You've been  
Satirised  
Sermonised  
Scandalised  
Terrorised  
Cursed

Here I am  
Damned  
Cursed  
Destroyed  
It was written in the book  
That You must die on the cross  
And it was written  
That I must betray You  
Otherwise man would be lost  
Would be lost

What about me?  
Don't turn Your back on me

As it was written, so I must do  
And this kiss on Your cheek  
Proves my love for You

No greater love  
Hath no man that I  
Who would sacrifice eternity  
For one kiss  
For humanity  
For humanity

Lord  
Lord  
Christ!

I've been  
Satirised  
Terrorised  
Demonised  
Scandalised  
Damned

Why me, Lord  
Was it because  
I was Judas baptised?

Your mission has failed  
Your mission has failed  
Your mission has failed

You failed the word
