

# Laibach, Dogs Of War

Dogs of war and man of hate  
With no cause we don't discriminate  
Discovery is to be disowned  
Our currency is flesh and bone  
Hell opened and put on sale  
Gather 'round and haggle  
For hard cash we will lie and deceive  
Even our masters don't know the web we weave

One world, it's a battle-ground  
One world and we will smash it down

Invisible transfers and long-distance calls  
Hollow laughter in marble halls  
Steps have been taken  
A silent roar has unleashed the dogs of war  
You can't stop what has begun  
Signed, sealed, they deliver oblivion  
We all have a dark side, to say the least  
And dealing in death is the nature of the beast

One world, it's a battle-ground  
One world and they smashed it down

The dogs of war don't negotiate  
The dogs of war won't capitulate  
They will take and you will give  
And you must die so that they may live  
You can knock at any door  
But wherever you go, you know they've been there before  
Well, winners can lose and things can get strained  
But whatever you change, you know the dogs remain

One world, it's a battle-ground  
One world, we are going to smash it down  
One world, it's a battle-ground  
One world, we are going to smash it down
