

# Laibach, God Is God

You shall see Hell clear in the sky  
You shall see darkness  
You shall see good and evil  
You shall see city walls crumble and towers fall

God is God  
God is God  
God

You shall see the Lord of Life and Death  
You shall see Heaven in Hell  
You shall be blinded by light  
You shall see darkness

God is God  
God is God  
God

You shall see the walls crumble  
Walls built of pain  
And above the cries of man  
Hear one voice saying:

I am Alfa and Omega  
The beginning and the end  
I am the first and  
I am the last

God is God  
God is God  
God

You shall see Hell  
You shall see evil  
You shall see darkness  
You shall see sorrow  
You shall see Death  
You shall see God
