

Laika, Fish For Nails

Let me out
I'm a cloud
I can't live here anymore
Turn the sky inside out
I can't live here anymore
Fish for nails in a drought
I can't live here anymore
Always ash in my mouth
I can't live here anymore

I can't live here anymore
I can't live here anymore
I can't live here anymore
I can't live here anymore

I can't live here anymore
I can't live here anymore
I can't live here anymore
I can't live here anymore
