

# Lake Of Tears, Evil Inside

Universal bond, we're all the same  
Evil man, not to be tamed  
Open your mind, and you will find  
You're just as evil, as evil as I

There's a little bit of evil, inside if you  
A little bit of evil, inside you too

Man of mercy, sinister disguise  
Cause I see evil, evil in your eyes  
Unmask yourself, and you will find  
You're just as evil, as evil as I

There's a little bit of evil, inside of you  
A little bit of evil, inside you too

Evil ! Evil, evil, evil...
