

Lake Of Tears, Evil Inside

Universal bond, we're all the same
Evil man, not to be tamed
Open your mind, and you will find
You're just as evil, as evil as I

There's a little bit of evil, inside if you
A little bit of evil, inside you too

Man of mercy, sinister disguise
Cause I see evil, evil in your eyes
Unmask yourself, and you will find
You're just as evil, as evil as I

There's a little bit of evil, inside of you
A little bit of evil, inside you too

Evil ! Evil, evil, evil...
