Lake Of Tears, Island Earth

It seems like a world unreal When you're caught with a heart of stone And you wonder just how it feels How it feels not to feel alone

How it feels not to feel alone

You find the tempo too slow I know you want more You find the tempo too slow I know you wanna go

You never wonder of what is real and you walk on the way, you've come And you feel just how it feels How it feels not to feel alone

How it feels not to feel alone

You find the tempo too slow I know you want more You find the tempo too slow I know you wanna go

Oh, when you're alone
