

Lamb, Feela Part 2 (Filia Brazillia Remix Of Cottonwool)

You could stay here
Make your home here
Hide away here
I could wrap you up in cotton wool
I could stay there
Make my home there
Hide away there
I could wrap you up in cotton wool
You could stay here
Make your home here
Hide away here
I could wrap you up in cotton wool
I could stay there
Make my home there
Hide away there
Wrap you up in cotton wool
I would wrap you up in cotton wool.
