

# Lamb, Heaven

Soon, come soon  
Sweet so sweet  
Fall inside  
Between the sheets  
This could be  
Heaven right  
Here on earth  
This could be Heaven  
This could be  
Heaven right  
Here on earth  
This could be Heaven  
Peace, new peace  
Mine, near mine  
All the world  
Fall in time  
This could be  
Heaven right  
Here on earth  
This could be Heaven  
This could be  
Heaven right  
Here on earth  
This could be Heaven  
Sleep, to sleep  
Sigh on sigh  
All of this  
A lullaby  
This could be  
Heaven right  
Here on earth  
This could be Heaven  
This could be  
Heaven right  
Here on earth  
This could be Heaven  
This could be Heaven  
This could be Heaven  
This could be Heaven  
Ths could be  
Heaven
