## Lamb, Heaven

Soon, come soon Sweet so sweet

Fall inside

Between the sheets

This could be

Heaven right

Here on earth

This could be Heaven

This could be

Heaven right

Here on earth

This could be Heaven

Peace, new peace

Mine, near mine

All the world

Fall in time

This could be

Heaven right

Here on earth

This could be Heaven

This could be

Heaven right

Here on earth

This could be Heaven

Sleep, to sleep

Sigh on sigh

All of this

A lullaby

This could be

Heaven right

Here on earth

This could be Heaven

This could be

Heaven right

Here on earth

This could be Heaven

This could be Heaven

This could be Heaven

This could be Heaven

Ths could be

Heaven
