

# Lamb, Please

It's two in the morning  
And I'm calling your name  
Your voice on the line is  
So far away  
And my heart reaches out there  
And finds you gone  
You walk a path lonely  
But you're never alone

And I'm begging you please  
Please  
Let me in  
Please  
please  
Let me in

I know there are times when  
In ashes you lie  
Each one has a shadow  
We can't deny  
But there in your darkness  
Living your pain  
Wanna wrap you in love, babe  
Again and again

I'm begging you please  
Please  
Let me in  
Please  
please  
Let me in

Listen my tiney one  
Gonna make it on your own  
Look at what we have done to heal

Please please  
Let me in  
Please  
please  
Let me in  
I'm begging you  
I'm begging you  
I'm begging you  
Please  
please  
Please
