

# Lamb, This Could Be Heaven

Soon comes soon  
Sweet so sweet  
Falling soft  
Between the sheets  
This could be  
Heaven right  
Here on Earth  
This could be heaven  
This could be  
Heaven right  
Here on Earth  
This could be heaven  
Please you please  
Mine be mine  
Forever  
And all time  
This could be  
Heaven right  
Here on Earth  
This could be heaven  
This could be  
Heaven right  
Here on Earth  
This could be heaven  
Sleep to sleep  
Sigh on sigh  
On a lover's  
Lullaby  
This could be  
Heaven right  
Here on Earth  
This could be heaven  
This could be  
Heaven right  
Here on Earth  
This could be heaven  
This could be heaven  
This could be heaven  
This could be heaven  
This could be heaven
