

Lambretta, Absolutely Nothing

I can give you anything that you want
'Cause I'm your friend and that is really what I'm here for
If you ask me for a dollar I'll give you ten
But then you'll have to buy me dinner but then I would do the same

We could learn how to fly
We could climb every mountain in the world
We could sail on every ocean
But I prefer to be here by your side
Doing absolutely nothing
Just as long as we're together

If you tell me a secret I would keep to my self
'Cause I'm your friend and that is really what I'm here for
You can call me in the middle of the night
If you cry I'll give you comfort
And I know you'll do the same

We could learn how to fly
We could climb every mountain in the world
We could sail on every ocean
But I prefer to be here by your side
Doing absolutely nothing
Just as long as we're together

(solo)

We could learn how to fly
We could climb every mountain in the world
We could sail on every ocean
But I prefer to be here by your side
Doing absolutely nothing
Just as long as we're together

We could learn how to fly
We could climb every mountain in the world
We could sail on every ocean
But I prefer to be here by your side
Doing absolutely nothing
Just as long as we're together
