Lambretta, Bimbo

Who's she blowing kisses from the catwalk Tell me, I really gotta know Since when did you need another girlfriend since when, I really gotta know I really gotta know

She's been faking since day one a friendly kiss includes no tongue Who's she, tell me Now she's sleeping in my bed Oh God I wish that she was dead I need to know Who's that bimbo

Who's she looking goofy in a Gucci dress what's that , I really gotta know Which bone in her body should I break first which one, the bimbo's gotta go the bimbo's gotta go

She's been faking since day one a friendly kiss includes no tongue Who's she, tell me Now she's sleeping in my bed Oh God I wish that she was dead I need to know Who's that bimbo

I know it's sad sometimes I just lose my head boy I'm getting so mad I know it's sad sometimes I just lose my head

I know it's sad sometimes I just lose my head boy I'm getting so mad I know it's sad sometimes I just lose my head

She's been faking since day one a friendly kiss includes no tongue Who's she, tell me Now she's sleeping in my bed Oh God I wish that she was dead I need to know

She's been faking since day one a friendly kiss includes no tongue Who's she, tell me Now she's sleeping in my bed Oh God I wish that she was dead I need to know

Now she's sleeping in my bed Oh God I wish that she was dead I need to know Who's that bimbo
