

Lana Del Rey, Black Beauty

I paint my nails black,
I dye my hair a darker shade of brown
'Cause you like your women Spanish, dark, strong and proud
I paint the sky black
You said if you could have your way
You'd make a night time of today
So it'd suit the mood of your soul

What can I do?
Nothing, my sparrow blue
What can I do?
Life is beautiful but you don't have a clue
Sun and ocean blue
Their magnificence, it don't make sense to you

Black beauty /2x

I paint the house black
My wedding dress black leather too
You have no room for light
Love is lost on you
I keep my lips red
The same like cherries in the spring
Darling, you can't let everything
Seem so dark blue

What can I do?
To turn you on or get through to you
What can I do?
Life is beautiful but you don't have a clue
Sun and ocean blue
Their magnificence, it don't make sense to you

What can I do?
Life is beautiful but you don't have a clue
